# GET TO KNOW THE LUSITANO

Through my amazing collaboration with Quinta do Falcão over the past year I have visited the most beautiful places, ridden the best horses and had the opportunity to take the most instructive lessons. And seen many, many different Lusitanos and got to ride them. And it is abundantly clear to me. The Lusitano is something special. Brave, beautiful, energetic, sensitive with a heart of gold!

In my new theme week, I will take you for a one-week stay at the Portuguese stable Quinta do Falcão. Here we are going to teach and show you all about this multi-talented breed. Listen to a presentation on the history of Portugal's pride. Experience and see for yourself the different disciplines they are used for. Bullfighting, Working Equitation and Dressage. We will visit two leading breeders, Veiga Stud and Alter Stud farm. You will get several lessons yourself from trainer Pedro Teixeira Farto on Lusitanos. We will go for an outdoor ride to the river with picnic lunch, take a ride through the vineyards, taste the wines, check out a traditional Portuguese equestrian shop and MUCH MORE! Hope to see you in March!
